

EXHIBIT D: COVID-19 ADDENDUM (CAMPS)

To mitigate the spread of COVID-19, the following requirements described in this addendum are incorporated into these Terms and Conditions. All Users, User's employees staffing the camp, campers, and guests must comply with these requirements. By agreeing to hold or attend a camp on the University of Denver campus, User agrees to comply with, and to require User's employees, campers, and guests to comply with the following requirements:

Pre-Arrival

- All conference attendees and User's employees staffing the Event must provide:
- 1) Proof that the individual is fully vaccinated against COVID-19. Fully vaccinated means:
 - Primary dose(s) + booster for age 12+
 - Primary doses for age 5-11

OR

- 2) Proof of a negative COVID-19 PCR or laboratory antigen test record with the individual's name date visible taken no earlier than seventy-two (72) hours prior to check-in on campus.
- Prior to arrival on campus, **all minors attending a residential camp must provide contact information for two (2) authorized adults who can arrive on campus as soon as possible within twenty-four (24) hours of being notified that the minor camper has tested positive for COVID-19**
 - Campers who receive a positive test result while attending camp will be removed from camp and isolated until an authorized adult arrives to pick up the camper.
- For all camps, a parent or guardian of each camper must read and sign the attached Coronavirus/COVID-19 Assumption of the Risk, Waiver of Liability and Authorization.

Camp attendees must bring multiple masks/face coverings to wear for the duration of camp in the event is needed due to changing conditions on campus.

Check-in:

- User must collect sufficient contact information from each camp attendee, including but not limited to camper's cell phone number (and parent/guardian's cell phone number for campers under age 18), email address, and authorized adult's local address during the camp, to facilitate contact tracing during and after the camp.
- Before leaving, parents/guardians must wait until camp staff has notified them that the check-in process for their camper is successfully completed.

Staffing Requirements:

- User must maintain a ratio of one (1) adult chaperone to ten (10) campers at all times.
- User must identify substitute chaperones in the event that a chaperone must isolate.

Cleaning & Disinfecting:

- The University will regularly clean and disinfect commonly touched surfaces, equipment, and vehicles daily consistent with the University's [COVID-19 Protocols for Cleaning and Disinfection](#).

- The University will disinfect all common spaces nightly.

Campus Interactions:

- Camp attendees and User's employees staffing the camp must follow all applicable [University COVID-19 protocols](#). If the applicable University COVID-19 protocol differs from the requirements set forth in this Addendum, then conference attendees and Users employees staffing the Event must follow the applicable University COVID-19 protocol.
- Groups should limit the use of shared equipment. If groups must share equipment, all shared items must be sanitized between usage and at the beginning and end of each day.

Testing, Contact Tracing, Quarantine & Isolation:

- For residential camps, each camper and User's employees staffing the camp must undergo a COVID-19 PCR test at check-in on the day of the event. Campers and User's employees staffing the camp will undergo additional COVID-19 PCR testing every 5 to 7 days and/or if the individual has symptoms of COVID-19.
 - For campers under age 18, parents/guardians must sign applicable consent agreements for such testing or the camper will not be permitted to participate in the camp.
- Camp staff and User's employees staffing the camp will be tested once every two weeks.
- If a camper is exhibiting symptoms of COVID-19, the camper must undergo COVID-19 PCR testing.
- If an individual receives a positive result from a COVID-19 test, the individual must isolate. User must contact the parent/guardian of the individual who tested positive to pick the child up, or to have an authorized adult pick the child up, as soon as possible within twenty-four (24) hours of notification. If the camp attendee is not from the local area, the camper who tested positive and parent/guardian or authorized adult may isolate in University Lofts apartments at no additional cost. The parent/guardian or authorized adult will be responsible for making arrangements for meals and for the cost of all meals.
- All camp attendees must fully cooperate with contact tracing efforts.
- University will charge User a minimum of \$25 per attendee/User's employee per week for testing services.

Post-Camp:

- Any camp attendees or User's employees staffing the camp who receive a positive result from a COVID-19 test within two (2) weeks after leaving campus must report the information to the User for contact tracing purposes.

Camp Cancellation/Discontinuation:

- The University will discontinue or cancel a camp under the following circumstances:
 - A lack of ability to isolate new positive cases
 - Campus-wide or local community positivity rates that are considered unsafe by local public health officials.

- Inability to perform adequate contact tracing consistent with governmental requirements or recommendations.
- Local public health officials state that there is an inability for the hospital infrastructure to accommodate a surge in COVID-19 related hospitalizations.
